Sequence & Cause-Effect

사건 순서와 원인-결과 연결

26 Which event happens **FIRST** in the city adventure?

정답 A

The pram rescue is the first major heroic act in the city.

27 Which event happens immediately **AFTER** the pram rescue?

정답 B

The text signals another problem right after the first rescue.

28 Choose the correct order of these events.

정답 B

The pram rescue comes first, then the handbag, then the boy at the dock.

29 Choose the correct order for the later city events.

정답 A

Floppy protects the lost dog before helping the worker, then returns home.

30 Why does the mother panic during the pram scene?

정답 B

The pram accelerates downhill and becomes dangerous.

31 Why is Floppy able to catch the handbag thief when the thief tries to escape?

정답 B

Floppy's speed allows him to catch up.

32 What directly causes the boy-at-the-dock rescue?

정답 A

The boy falls into the water without the crowd noticing.

33 What causes cars to stop for Floppy later in the story?

정답 B

His fame changes how people treat him.

34 Why do Fang, Hook, and Snap change their behavior when Floppy approaches?

정답 B

His reputation gives him authority without needing a fight.

35 Why can the firefighters not solve the building problem easily?

정답 B

The usual rescue methods are unavailable.

36 What makes the building rescue possible?

정답 A

The rope gives the worker a way to be rescued.

37 What happens as the building rescue ends?

정답 B

The glowing key signals the end of the adventure.

38 Why is Biff angry when Floppy returns home?

정답 B

She only sees him breaking a house rule, not his unseen adventure.

39 What do the children do soon after Floppy returns?

정답 A

They still want him to train like a contest dog.

40 Why does Floppy finally run away from the children?

정답 B

He wants to escape the pressure of performing.

41 Where does Floppy hide at the end?

정답 B

He chooses a quiet hiding place in a large pipe.

42 Which idea best explains the repeated rescue pattern in the middle of the story?

정답 B

The repeated rescues gradually create his heroic reputation.

43 Why is the final return to the training course ironic?

정답 A

The children value showy tricks while readers know he has done genuine heroic acts.

44 Which cause-and-effect pair is correct?

정답 A

His dislike of noise motivates his desire for peace.

45 Which cause-and-effect pair is NOT correct?

정답 D

Floppy never wins Dog of the Year.

Inference & Theme

인물 의도 · 주제 · 아이러니 추론

46 What can we infer about Floppy's personality from the training scenes?

정답 B

His thoughts and actions show that he values peace over performance.

47 Which statement best describes the contrast between the children and Floppy?

정답 B

This is the central contrast of the story.

48 Why is Floppy's heroism different from the dogs on the TV show?

정답 B

The story contrasts performance with meaningful action.

49 What does Floppy's reaction to praise suggest?

정답 B

He repeatedly treats his rescues as ordinary and does not seek praise.

50 Why is the title "Superdog" partly ironic?

정답 B

The public image and Floppy's own self-image are different.

51 What does the story suggest about real ability?

정답 B

Floppy performs poorly in staged training but excels in real situations.

52 What can we infer about the children at the end?

정답 B

They see only the Floppy who returned home, not the city rescues.

53 Why does the story include several different rescue scenes?

정답 B

The varied rescues strengthen the theme of natural heroism.

54 What does Floppy's final wish for peace reveal?

정답 B

Even after becoming famous, he still wants quiet.

55 Which theme is BEST supported by the story?

정답 B

Floppy's actions, not a trophy, reveal his character.

56 What does the newspaper mainly change for Floppy?

정답 B

The article spreads his reputation.

57 Why is the scene with the mean dogs important beyond the immediate problem?

정답 A

Floppy resolves the conflict largely because the others know who he is.

58 Which description best fits Floppy's motivation in most rescues?

정답 B

His actions are need-driven, not reward-driven.

59 Why does the author place the building rescue near the end of the city adventure?

정답 A

The high-risk rescue works like a climax.

60 What is the effect of Biff calling Floppy a "bad dog" after he returns?

정답 A

Readers know more than Biff does.

61 Which statement would Floppy most likely agree with at the end?

정답 B

His final thoughts emphasize being himself and having peace.

62 What does the story imply about labels such as "hero" or "bad dog"?

정답 B

Floppy is called both a hero and a bad dog in different contexts.

63 Which moment best shows dramatic irony?

정답 B

Readers know about the adventure while Biff does not.

64 What is the most reasonable lesson from Floppy's experience with fame?

정답 B

Floppy becomes famous but still does not want attention.

65 Why is the ending satisfying for the main conflict?

정답 B

The ending resolves the tension between outside expectations and Floppy's own preference.

Extended Written Response

근거를 사용한 3-4문장 서술

106 Compare “Dog of the Year” and “Superdog.” What does each label value, and which one fits Floppy better? Write 3-4 sentences.

모범답안 방향

A strong answer explains that Dog of the Year values performance and trained tricks, while Superdog reflects real courage and helping others. It should also note that neither label fully matches Floppy’s own wish to be an ordinary dog.

채점 포인트: contrast labels / evidence from story / Floppy identity

107 Explain how the author uses repeated rescues to change the way the city sees Floppy. Write 3-4 sentences.

모범답안 방향

A strong answer traces how each rescue adds evidence of Floppy’s bravery until strangers recognize him, cars stop, and his name spreads through the newspaper.

채점 포인트: repetition / growing reputation / specific examples

108 Was Floppy brave even though he sometimes felt afraid? Use the building rescue as evidence. Write 3-4 sentences.

모범답안 방향

Yes. Courage does not mean having no fear. Floppy is uncomfortable high above the city, but he still carries the rope to help the worker.

채점 포인트: fear acknowledged / action despite fear / building evidence

109 Why does the story make the children unaware of Floppy's city adventure? Explain the effect on the ending.

모범답안 방향

Their lack of knowledge creates dramatic irony. Readers know Floppy has been heroic, while the children still judge him only by his behavior at home and his unwillingness to perform tricks.

채점 포인트: dramatic irony / reader vs children / ending effect

110 Choose the pram rescue or the dock rescue. Explain the danger, Floppy's action, and the outcome.

모범답안 방향

A strong answer clearly describes the danger, identifies Floppy's specific action, and states how the person was saved.

채점 포인트: danger / action / outcome

111 How does Floppy's attitude toward fame change, if at all, during the story?

모범답안 방향

A strong answer may note that he briefly enjoys the name Superdog or the attention, but by the end he clearly values peace and being himself more than fame.

채점 포인트: possible temporary enjoyment / final preference / evidence

112 What does the story teach about the difference between showing off and being useful?

모범답안 방향

The story suggests that useful actions in real situations matter more than performing tricks for attention. Floppy does not shine in training, but he is extremely capable when someone needs help.

채점 포인트: theme / training vs rescue / evidence

113 Explain why the scene with Fang, Hook, and Snap is different from the earlier rescues.

모범답안 방향

Unlike the pram, thief, and water scenes, this problem is solved mainly through Floppy's reputation and confidence rather than a physical rescue action.

채점 포인트: difference / reputation / comparison

114 What does the final pipe scene reveal about Floppy's identity? Write 3-4 sentences.

모범답안 방향

It shows that Floppy does not define himself by titles others give him. He wants quiet, freedom, and the chance to be himself rather than a performer or celebrity.

채점 포인트: identity / peace / labels

115 Imagine the children learn everything that happened in the city. How should their view of Floppy change? Use two pieces of evidence.

모범답안 방향

They should recognize that he is capable and brave in real situations. Evidence can include saving the baby, recovering the handbag, rescuing the boy, protecting the lost dog, or carrying the rope.

채점 포인트: changed view / two examples / reasoning

116 Which city rescue best proves that Floppy can solve problems under pressure? Defend your choice.

모범답안 방향

Any rescue may be chosen if the answer explains the pressure and shows how Floppy responded effectively with specific evidence.

채점 포인트: clear choice / pressure / evidence

117 Explain how the story uses contrast between the beginning and the middle.

모범답안 방향

At the beginning Floppy seems lazy or unskilled because he dislikes tricks. In the middle, real emergencies reveal his speed, courage, judgment, and willingness to help.

채점 포인트: beginning vs middle / contrast / character revelation

118 What would be lost from the story if the newspaper scene were removed?

모범답안 방향

The story would lose the clearest explanation for why strangers across the city recognize Floppy and why his reputation begins solving problems for him.

채점 포인트: newspaper function / fame/recognition

119 Is Floppy a hero because people call him one, or because of what he does? Explain.

모범답안 방향

He is a hero because of his actions. The title comes afterward as a public reaction to the help he gives others.

채점 포인트: actions before label / evidence

120 Write a 4-sentence theme paragraph: claim, evidence 1, evidence 2, conclusion.

모범답안 방향

Example theme: Real character is shown through helpful action, not performance. Floppy dislikes the training course, but he saves the baby and later carries a rope to a stranded worker. These actions show courage when it matters. Therefore, the story values genuine help over showy tricks.

채점 포인트: theme claim / two pieces evidence / conclusion
